

# Lunar Settle Project -- 2023

## Near-Term Lunar Settlement Research Group (N-TLSRG)

### Questionnaire

We are in the process of forming a Near-Term Lunar Settlement Research Group (N-TLSRG) to continue the work of the ASTE 523 course and would be delighted to have you join us. We will likely meet one evening a month that you can join either in person or remotely. There is no cost or obligation and you can quit at any time.

Jim Wertz (jwertz@smad.com)

Would you like to join the Near-Term Lunar Settlement Research Group (Yes or No)? \_\_\_\_\_

Name \_\_\_\_\_ . Date \_\_\_\_\_

Status (i.e., 3<sup>rd</sup> yr USC grad student in education)? \_\_\_\_\_
